FURNITURES DIMENSION

LAMINATED& COLORED FURNITURE

Together with clients and partners,AFN develops innovative office solutions that present organisational structures and workflow spatially. Offices that embody a company's image, culture and identity– communicating it internally and externally.

Modern office concepts accommodate flexible work processes, create individual space structures and a stimulating atmosphere that motivates staff to be productive. Successful office design involves efficient use of floor space and reduced maintenance costs; it adapts easily to altered settings by keeping costs to a minimum whilst maintaining flexibility.
